

# Adobe Connect Cheatsheet

## LEARNING OBJECTIVES:

- MTL objectives include activities and competencies that...
- Are meaning for you and align your learning goals with your team.
  - Develop systems thinking skills to help you see how several things fit together, and understand causes hard to see without data and modeling resources.
  - Make VA data, initiatives, and standards transparent to you.
  - Empower you to realize ongoing improvements in team quality of care and team quality of work life.

### Login

Open [mtl.how/live](https://mtl.how/live) in any browser. Choose "Enter as Guest" and type in your name. The host will accept you into the meeting once it starts.

### Download

You will only need to download Adobe Connect the first time. Pin to the taskbar for easier future access.

### Share

The host will promote you to "Presenter" as necessary. Share screens using "Applications" instead of "Windows." Make sure no PHI or sensitive information is open. At the end of the session, return to the main page and stop sharing.
